PIRELLI CONFIRMED "S&P GLOBAL GOLD CLASS" IN SUSTAINABILITY

Recognition given in context of the Sustainability Yearbook 2022

Milan, 1 February 2022 - Pirelli awarded gold again with its confirmation as Gold Class in the Sustainability Yearbook 2022, published by S&P Global and based on the assessment of the sustainability profiles of over 7,500 companies.

Pirelli obtained "S&P Global Gold Class". The rankings are prepared each year based on the Corporate Sustainability Assessment for the S&P Global Dow Jones Sustainability indices. In 2021, as already noted, Pirelli was confirmed one of the excellent performers in the Automobiles & Components sector in the context of the Dow Jones Sustainability World and Europe indices with a score 77 points compared with the sector average of 31.

Marco Tronchetti Provera, Executive Vice Chairman and CEO of Pirelli, commented: *"We are proud to be reconfirmed Gold Class in the Sustainability Yearbook 2022, also the year of Pirelli's 150th anniversary. This recognition is the result of the commitment of everyone at the company to pursuing a business model based on a growth strategy that is sustainable and long term, with the goal of creating value for all stakeholders."*
