

PRESS RELEASE

PIRELLI ONE OF THE COMPANIES IN THE “TOP 1%” IN S&P GLOBAL’S SUSTAINABILITY YEARBOOK 2023

It is the highest level of recognition based on the analysis of the sustainability profiles of over 13,000 companies. Pirelli had already obtained Top Score in its sector globally

Milan, 7 February 2023 - Pirelli has been again confirmed among the best companies in sustainability at the global level, achieving the qualification of “Top 1%”, the highest level of recognition in the context of the Sustainability Yearbook 2023 published by S&P Global based on the analysis of the sustainability profiles of over 13, 000 companies.

The result follows the score Pirelli achieved in the 2022 Corporate Sustainability Assessment of the Dow Jones Sustainability Indices of S&P Global, in which the company obtained the Top Score of 86 points (revised from the original 85), the highest of the ATX Auto Components sector in the Dow Jones Sustainability World and Europe Indices.

Marco Tronchetti Provera, Executive Vice Chairman and CEO of Pirelli, said: “We are proud to be reconfirmed as a Top ESG Performer in the Sustainability Yearbook 2023. This recognizes the engagement of everyone who works at Pirelli in transforming our sustainability strategy into tangible results, challenging ourselves continuously to maximize sustainable and shared value creation.”
