

PRESS RELEASE

Milan, 4 June 2026 – The content of the note from Grizzly Research does not reflect the truth. Pirelli reaffirms, among other things, that it does not produce tyres for military use, as is already known and was communicated long ago to the relevant Italian authorities. To protect all shareholders and the Company's good name, Pirelli has given a mandate to Gatti Pavesi Bianchi Ludovici Studio Legale Associato to take action in all jurisdictions against those who have spread this false information.
